DO THIS FIRST

Quick Wins

Finish these in 2 minutes. Do them now. Do not wait for a free evening.

- ☐ Open your phone notes.
- ☐ Copy the 3 scripts on the next page.
- ☐ Name the note: CALM EVENING.
- ☐ Put a bowl or basket on the kitchen counter.
- ☐ Say this out loud: Land. Homework. One job. Then screens.

STOP HERE IF YOU MUST

That is enough for now.

Close this file.

Use one script when you walk in.

Open the rest when you sit down.

IF YOU HAVE 2 MORE MINUTES

Text the other adult in the house:

"We are trying a written evening order this week. Devices wait in the kitchen."

SAVE THESE NOW

Copy-paste boxes

Tap. Copy. Paste into Notes. Use one tonight. Flat voice is fine.

WALK-IN

Bags there. Water first. I land for 8 minutes. The tablet stays in the kitchen.

HOMEWORK

Diary out. 25 minutes. I sit here. When it rings, we stop.

TIME IS UP

Time is up. Bring it to the kitchen, please. Thank you for keeping our agreement.

THEY STALL

I will not hunt the bedroom. One minute. Or tomorrow is 15 minutes shorter.

THEY CRY

I love you. The tablet is not how I prove it. Love is not the same thing as yes.

HARD DAY

Short evening: bags, food, bath, bed. Screens stay in the kitchen. I love you. I am tired.
